As between you and Digital Acoustics, Digital Acoustics retains all title to and ownership of the Software, Key and any accompanying material, and reserves all rights not expressly granted to you in this Agreement.
2. Use of Software. The operation of the Software is determined by the USB License Key you obtain from Digital Acoustics. The Key determines the expiration date, if any, and the number of concurrent users of the software at any given time. The Software will not operate without the Key. The Software may be used on multiple computers as long as the Software is communicating solely with devices manufactured by Digital Acoustics or its licensees, and a properly licensed Key from Digital Acoustics has been obtained.
3. Software Copies. You may make multiple copies of the machine-readable portion of the Software for installation on multiple computers, provided that you reproduce on the copy all copyright and other proprietary rights notices included on the original Software.
4. Transfer of License. You may transfer your license of the Software and Key provided that (a) you transfer all portions of the Software and your Key, (b) you do not retain any portion of the Software or

any copy thereof, and (c) the transferee reads and agrees to be bound by the terms and conditions of this Agreement.

5. Prohibitions on Modifying and Renting of the Software. Except to the extent expressly permitted by the laws of the jurisdiction where you acquired the Software, you may not modify, create derivative works of, adapt, translate, rent, lease, loan or sublicense the Software, Key or its accompanying material.

6. Decompiling, Disassembling or Reverse Engineering. You acknowledge that the Software and Key contain trade secrets and other proprietary information of Digital Acoustics and its suppliers. Except to the extent expressly permitted by the laws of the jurisdiction where you are located, you may not decompile, disassemble or otherwise reverse engineer the Software or Key, or engage in any other activities to obtain underlying information that is not visible to the user in connection with normal use of the Software and Key. In any event, you will notify Digital Acoustics of any information derived from decompiling, disassembling, reverse engineering or such other activities and the results thereof will constitute the confidential information of Digital Acoustics. You shall have no right to make available to any third party such confidential information or use such confidential information except in connection with the normal use of the Software.

7. Termination. The license granted to you is effective until terminated. You may terminate it at any time by returning the Software (including any portions or copies thereof) and Key to Digital Acoustics. The license will also terminate automatically without any notice from Digital Acoustics if you fail to comply with any term or condition of this Agreement. You agree upon such termination to return the Software (including any portions or copies thereof) and Key to Digital Acoustics. Upon termination, Digital Acoustics may also enforce any rights provided by law.

8. Export Control. You will not, without prior authorization of the U.S. Department of Commerce or any other governmental entity which has jurisdiction, export or transmit the Software or Key to any country to which such export or transmission is restricted by any applicable U.S. regulation or law.
